

'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed!

Through many dangers, toils and snares
I have already come
'Tis grace hath brought me safe thus far
And grace will lead me home

When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we first begun

Battle Hymn of the Republic

Mine eyes have seen the glory
Of the coming of the Lord
He is trampling out the vintage
Where the grapes of wrath are stored
He has loosed the fateful lightning
Of His terrible swift sword
His truth is marching on

Glory! Glory, hallelujah! (3X)
Our God is marching on

He has sounded forth the trumpet
That shall never sound retreat
He is sifting out the hearts of men
Before His judgment seat
O be swift, my soul, to answer Him
Be jubilant, my feet!
Our God is marching on

In the beauty of the lilies
Christ was born across the sea
With a glory in His bosom
That transfigures you and me
As He died to make men holy
Let us live to make men free
While God is marching on

How Great Thou Art

O Lord my God, when I in awesome wonder
Consider all the worlds Thy hands have made
I see the stars, I hear the rolling thunder
Thy pow'r throughout the universe displayed

Then sings my soul, my Savior God, to Thee
How great Thou art, how great Thou art! (2X)

When thro' the woods and forest glades I wander
And hear the birds sing sweetly in the trees
When I look down from lofty mountain grandeur
And hear the brook and feel the gentle breeze

And when I think that God His Son not sparing
Sent Him to die, I scarce can take it in
That on the cross my burden gladly bearing
He bled and died to take away my sin

When Christ shall come, with shout of acclamation
And take me home, what joy shall fill my heart!
Then I shall bow in humble adoration
And there proclaim, my God, how great Thou art!

Amazing Grace

Amazing grace! How sweet the sound
That saved a wretch like me!
I once was lost, but now am found
Was blind, but now I see

A FIREMAN'S PRAYER

*When I am called to duty, God,
wherever flames may rage; give me strength
to save some life, what so ever be its age.
Help me embrace a little child before
it is too late: or save an older person
from the horror of that fate.
Enable me to be alert and hear the weakest shout,
and quickly and efficiently, put the fire out.
I want to fill my calling and
to give the best of me: to guard every neighbor and
protect his property, and if according to your will
I have to lose my life, please bless with your
protecting hand, my family and my wife.*
